Project STAR

Project STAR (Students Taught Awareness and Resistance) is a comprehensive, community-wide drug and alcohol prevention program initiated by Mr. and Mrs. Ewing Kauffman. The project is funded by The Kauffman Foundation. The project is designed to help young people in the greater Kansas City area develop an understanding of the consequences of drug abuse, identify influences which promote the use of drugs and alcohol, and develop the social skills necessary to resist those influences. Because students are influenced by many factors within their school environment, the project focuses on those major forces. However, students are influenced by their total environment, and that influence can be either positive or negative. By stimulating and coordinating the cooperative efforts of schools, various community agencies, parent groups, business and professional organizations and the media, Project STAR will help young people in the Kansas City area resist the many influences to become involved with drugs and alcohol.

1994 Kansas City Royals Recap

General: A players strike, which ended the 1994 season prematurely on August 12 and wiped out the Royals final 47 games along with all playoff and World Series contests, left Kansas City and all of baseball with a lot of "what if" questions unanswered... playing in the newly-created American League Central Division, the Kansas City Royals used a 14-game winning streak, the longest in the majors in 1994 and the 2nd longest in club history, to help turn in their best season of the 1990s, posting a 64-51 record, a .557 winning percentage...it was their best winning percentage since logging a .568 mark in 1989 (92-70)...the Royals finished in 3rd place in the AL Central, 4.0 games in back of the front-running Chicago White Sox and 3 behind the Cleveland Indians... individually the Royals had some outstanding campaigns...David Cone earned the AL Cy Young Award as he tied for 2nd in the league with 16 wins, had the league's 3rd best ERA at 2.94 and was 6th in the loop with 132 strikeouts...Bob Hamelin was named the AL Rookie of the Year after belting a Royals rookie record 24 home runs with a .599 slugging percentage, the league's 5th highest mark...the "Hammer" also led the Royals with 65 RBI... reliever Jeff Montgomery overcame an early season injury to finish 2nd in the league in both saves and Rolaids Relief Points.

Record: For the 3rd straight season the Royals stumbled out of the gate, dropping their first 3 and 5 of their first 6 contests to quickly fall 4 games off the pace after just a week of action...a Bob Hamelin 9th inning 2-run game-winning home run off Boston's Jeff Russell on April 13 started KC on a 5-game winning streak, including a 3-game sweep in Cleveland, and put the Royals over the .500 mark for the 1st time at 6-5 on April 18...the Royals hovered around the .500 mark for the next 3 months as they never won or lost more than 3 in a row...they went into the All-Star break with a 45-42 record, 7 1/2 games out of 1st place and slipped a season-high 9 1/2 games back on July 22 after a loss at Detroit dropped their record to 49-47...however, the Royals were able to put together their 2nd longest winning streak in club history, a 14-game stretch from July 23–August 5, that improved their record to 63-47 and moved them to within 1 game of 1st place...the Royals dropped 4 of their next 5 games to fall 4 games off the pace when the season was prematurely ended due to the players strike.

The Streak: The Royals put together a 14-game winning streak from July 23–August 5 that improved their record from 49-47 and 9 1/2 games out of 1st place to 63-47 and just 1 game back...the only streak longer in club history was a 16-game winning streak set in 1977 (which stands as the longest in the majors since 1953)... the 14-game win streak was the longest in the majors since 1991 when Minnesota (15) and Texas (14) put together streaks, and tied for the 13th longest winning streak in American League history... the winning streak included 2 wins at Detroit, then 12 consecutive home wins: 4 vs. Chicago, 3 vs. Minnesota, 4 against Oakland and 1 vs. Seattle...ironically, both the 1977 and '94 streaks were snapped by the Mariners...the Royals hit .319 (151-for-474) with 79 runs (5.6/game) and posted an ERA of 2.47 (36 ER in 131.0 IP) during the hot stretch...the Royals also tied a club record originally set in 1977 by winning 13 straight home games.

Pinch Hitter Rule

A player shall be considered a pinch hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. (If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared, he will not be considered a pinch hitter during that second time up).

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

Designated Hitter Rule

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role. The designated hitter is eligible for all American League batting titles.

No-Hitter Summary

Steve Busby, Jim Colborn and Bret Saberhagen are the only pitchers in Royals history to have hurled no-hitters.

Busby accomplished the feat on 2 occasions, the first coming at Tiger Stadium when he held Detroit hitless on April 27, 1973. He gave up 6 walks and struck out 4 as Kansas City won 3-0. His 2nd gem also came on the road on June 19, 1974 at Milwaukee's County Stadium where he blanked the Brewers, 2-0. It was in near perfect fashion as the only baserunner was George Scott, who walked to lead off the 2nd inning.

Colborn recorded the 1st no-hitter by a Kansas City pitcher in Kauffman Stadium on May 14, 1977, when he blanked the Texas Rangers, 6-0. It too was nearly a perfect outing as Colborn walked one batter and hit another while facing only 28 batters.

Saberhagen recorded his gem in Kauffman Stadium vs. the Chicago White Sox on August 26, 1991. He walked 2 and fanned 5.

California Angels ace Nolan Ryan recorded the 1st no-hitter in Kauffman Stadium on May 15, 1973. He struck out 12 and allowed only 3 base runners, all on walks, in the 3-0 win, his 1st career no-hitter.

Game 7
at Kansas City
Sunday, October 27

Bret Saberhagen tossed a 5-hitter, Darryl Motley blasted a 2-run homer and the Royals beat the Cardinals climaxing one of the greatest comebacks in World Series history...it was the 3rd-highest run total and most lopsided victory in the 176 games KC played since the season began April 8...John Tudor, who had allowed but 1 run in 15.2 innings in winning 2 previous World Series starts, was rocked and suffered his earliest exit of the '85 season...KC batted around in the 3rd and 5th innings...the Royals tied a Series record by scoring 6 times in the 5th...Whitey Herzog and Joaquin Andujar were ejected...the Cardinals also tied a Series mark by using 5 pitchers in the fateful 5th.

Royals Hall of Fame

The Royals Hall of Fame was established to honor those individuals who have made exceptional contributions to the Royals organization.

To date, nine players, one manager, one administrator and one owner have been inducted into the Royals Hall of Fame. Outfielder Amos Otis and pitcher Steve Busby were inducted in the inaugural ceremony in 1986; Paul Splittorff, Cookie Rojas and Dick Howser were inducted in 1987; Dennis Leonard and Hal McRae were added in 1989; while Fred Patek, Larry Gura and Joe Burke joined the select group in 1992. Owner Ewing Kauffman was the sole addition in the Silver Anniversary season of 1993, while George Brett was added to the exclusive group in 1994.

The Royals have retired two uniform numbers: the number 10 worn by Dick Howser and the number 5 worn by George Brett.

Amos Otis' career with the Royals spanned 14 years (1970-1983) when he held down the starting centerfield spot. He compiled a solid .280 average in a Kansas City uniform with 193 home runs, 992 RBI and 340 stolen bases while winning three Gold Gloves and five All-Star nominations. He was the Royals Player of the Year three times (1971, '73 and '78).

Steve Busby was one of the Royals best pitchers and top competitors despite having his career shortened by a shoulder injury. From 1973-75 he averaged 18.6 wins, 260 innings and 177 strikeouts per season while establishing many club records. A two-time All-Star, he's the only pitcher to toss no-hitters in each of his first two big league seasons.

Paul Splittorff's major league career included action in 15 seasons from 1970-84. He was a mainstay on the staff from 1972-80 when he averaged nearly 15 wins and 220 innings per year. He holds the Royals career records for wins, starts and innings pitched. In 1973 he became the first 20-game winner in Kansas City Royals history.

Cookie Rojas brought eight-and-a-half years National League experience to the Royals in 1970 and his experience and leadership abilities were evidenced immediately on a young expansion team, providing a solid base for future championships. Rojas was named to the American League All-Star team four consecutive years (1971-74).

Dick Howser managed the Royals from August 31, 1981 to February 23, 1987 before losing a courageous battle to cancer on June 17, 1987. During Howser's regime, the Royals won two division titles and a World Championship in 1985. He compiled a 404-365 record (.525) while guiding the Royals. His uniform number 10 was the first number retired by the Royals.

HALL OF FAME

Dennis Leonard is the only three-time 20-game winner in Royals history. The three-time Royals Pitcher of the Year holds the club's career record for complete games, strikeouts, and shutouts, and single season highs in starts, complete games, innings pitched and strikeouts. His 130 wins from 1975-81 were the most by a righthanded pitcher in the major leagues.

Hal McRae's hard-nosed, aggressive style of play set the tone for the Royals championship clubs. He spent 14 full seasons in a Royals uniform and was recognized as one of the AL's most prolific designated hitters. He was a three-time All-Star, led the league in doubles twice and topped the loop with 133 RBI in 1982. He earned Royals Player of the Year honors in 1974 and '82.

Despite being the smallest player in the big leagues at 5-4, **Fred Patek** was a cornerstone of the early success of the franchise. He wore a Royals uniform from 1971-79, posting a .241 average in 1,245 games, earning a pair of All-Star game selections from his shortstop position. He led the league with 11 triples in 1971 and with 53 stolen bases in 1977.

Larry Gura logged a 111-78 record as a Royal, a 59 percent winning percentage, the top mark in club history. The crafty lefthander was a member of the 1980 American League All-Star squad and twice was selected as the Royals Pitcher of the Year (1978 and 1981). His career highs for wins came in 1980 and 1982 when he recorded 18 victories.

Under **Joe Burke's** guidance, baseball achieved its greatest success in Kansas City. He joined the club in 1973 and served as General Manager from 1974-1981. He was President of the club from that time until cancer took his life in 1992. He was named Major League Executive of the Year in 1976 and was named "Mr. Baseball" at the Kansas City Baseball Awards Dinner in 1978.

The strength and integrity of **Ewing Kauffman's** ownership was the cornerstone of success for the Royals during the club's first 25 years. Since purchasing the club as an expansion franchise in 1968, Mr. K's primary motivation was to provide winning Major League Baseball for Kansas Citians. His leadership helped make the Royals one of baseball's most successful franchises.

George Brett wrapped up a 20-year Hall of Fame career with the Royals in 1993. The 13-time All-Star and 8-time Royals Player of the Year is the club's all-time leader in every offensive category except stolen bases. He was an American League MVP, a Gold Glove Award winner and 3-time AL batting champion. His uniform number 5 will never be worn again.

MEDIA INFORMATION

MANAGER POST-GAME: The Royals will conduct a post-game interview in a room for the manager, located off the elevators on level one adjacent to the Royals clubhouse, immediately following each Royals home game. The post-game interview room is specifically designed (but not limited to) the electronic media. This is the only area where the electronic media may interview the manager post-game. There will be no post-game radio or TV interviews allowed in the manager's office. Post-game interviews with all personnel should generally be related to the game.

ROYALS CLUBHOUSE will be open to the media with clubhouse credentials for a period of 3 hours prior to game time until 45 minutes prior to the game. Post-game the clubhouse will be open approximately 5-10 minutes following the game. The Royals clubhouse will be closed between games of a doubleheader. PHOTOGRAPHERS will be assigned to photo bays on the field at either end of each dugout, the field level bay behind home plate or the bay located in the main press box. Photographers in the dugout field boxes should remain in the photo bays at all times during the game. If absolutely necessary, photographers who have to meet deadlines before the game ends should leave between innings only. Royals Radio and Television Networks

For the 21st consecutive season, Stauffer Communications' WIBW Radio (AM-580) in Topeka, Kansas, will serve as the Royals flagship station.

Under the guidance of General Manager Tom Cheatham and Stauffer Chief Executive Officer, Frank Shepherd, the Royals Radio Network will broadcast 15 spring training games and the entire 162-game regular season schedule. The network affiliate in the Kansas City area will be KMBZ-980. KMBZ, which returns as the local affiliate for the first time since 1991, has carried the Royals in 21 of the club's first 27 seasons.

The Royals Radio Network is one of the largest in Major League Baseball in terms of number of stations (more than 115) and geography (9 states).

In its 3rd season as the flagship station for the Royals Television Network is KSMO-TV (Channel 62) in Kansas City. KSMO-TV is an independent station owned and operated by ABRY Communications which is headquartered in Boston, Massachusetts.

With Jim MacDonald (Channel 62 General Manager) in charge, the Royals Television Network will televise live 62 Royals regular season games (59 road games and 3 home games) and 2 spring training contests during the '95 season.

The voices on the radio network will be familiar in 1995 with Denny Matthews and Fred White, the longest tenured pair in the American League, handling the play-by-play. Dave Armstrong, in his 3rd year, will be joined by former Royals pitcher Paul Splittorff on the television network.

Denny Matthews will call the action on Royals radio for the 27th season. He was chosen from more than 300 applicants for the number 2 announcer position prior to the Royals initial season in 1969, then took over the number 1 job after the 1975 season. Matthews has also lent his play-by-play skills to the CBS Radio Network during portions of the regular season and during the 1982 and '85 World Series. The 1966 graduate of Illinois Wesleyan lettered in football and baseball for 3 years. He finished 8th in the nation (NAIA) in pass receiving in 1965. An avid collector of sports publications, Denny is single and resides in Leawood, KS.

Fred White enters his 22nd year with the Royals. The award-winning announcer has worked college basketball and football games for CBS, NBC, TVS, Raycom and ESPN. His voice is heard year-round as he continues to draw college basketball assignments throughout the country. An Eastern Illinois University graduate, White has been named Kansas Sportscaster-of-the-Year several times. He was the "voice" of Kansas State University football and basketball for several seasons. He and his wife, Barb, reside in Leawood, KS. He has three children, Stacy, John and Joe Brett.

Don Free, who has worked for WIBW for 27 years, will begin his 10th year as the producer/engineer of the radio broadcasts. He and his wife Sandy, live in Topeka, KS. They have two daughters Kristin and Jennifer.

Dave Armstrong begins his 3rd year as the play-by-play voice of the Kansas City Royals. Armstrong, 40, has spent the past 8 seasons calling the action for a number of Big Eight football and basketball games for Creative Sports, Raycom Sports, The Jayhawk Basketball Network and the Prime and Cyclone Televison networks. He also has college basketball experience on ESPN and has provided play-by-play with ESPN for the American Legion Baseball World Series. He received his Bachelor's degree in Communicatons from John Brown University in Siloam Springs, Arkansas. He and his wife, Karen, live in Overland Park, KS and have 2 children, Tiffany and Troy.

Paul Splittorff begins his 8th year on the Royals television network. The Royals' Hall of Famer and all-time winningest pitcher in club history has developed his broadcasting background since retiring in 1984 after pitching in the Royals' organization since 1968. He has worked locally as a play-by-play announcer and analyst for high school and collegiate football and basketball games and on the Royals pre and post game shows. He also handled the color commentary for ESPN during the 1985 season on the game-of-the-week and College World Series. Paul and his wife Lynn live in Blue Springs, MO and have 2 children, Jennifer and Jamie.

Ewing M. Kauffman Stadium

Recognized throughout baseball as one of the game's most beautiful ballparks, Kauffman Stadium will feature a grass playing surface in 1995 for the first time in its history. Kauffman Stadium, which had been known as Royals Stadium since its opening in 1973, was officially dedicated in honor of Ewing M. Kauffman in a ceremony at the stadium on July 2, 1993.

The grass field which includes 5 kinds of bluegrass and one kind of rye was grown in Ft. Morgan, CO. Approximately 2 1/2 miles of plastic drainage pipe was installed first followed by a 4 inch layer of pea gravel. The next layer known as the "root zone" is a mixture of sand and peat and is 14 inches deep. The infield dirt is a mixture of top soil and sand.

Another new look in 1995 will be the dimensions at Kauffman Stadium. The fences were not only moved in 10 feet from bullpen to bullpen they were also lowered from 12 feet to 9 feet.

Since its opening a total of 42,660,236 people have visited Kauffman Stadium, including a record 2,477,700 in 1989.

The stadium opened April 10, 1973 with the Royals defeating Texas 12-1 before 39,464 fans. Since then, many exciting games have been contested here, including the 1973 All-Star game, 3 no-hitters, playoff games in 1976, '77, '78, '80, '81, '84 and '85 and 7 World Series contests in 1980 and 1985.

Kauffman Stadium features a 12-story high scoreboard and 322-foot wide water spectacular. The scoreboard contains 16,320 light bulbs, most of them on the 40 by 60 foot screen. The water spectacular is the largest privately funded fountain in the world.

Added in 1990 was a state of the art Sony JumboTron color video display board, installed on the leftfield hillside. The largest video board in the U.S. measures 30 by 40 feet and the top of the board features the Royals logo. In keeping with the architecture of the stadium, the exisiting water spectacular featuring cascading water now extends to the leftfield corner.

Four circular ramps and 4 escalators make all sections easy to reach. 20,316 of the 40,625 seats are on the lower level with 2,487 on the club level and 17,822 on the upper level.

The Royals played 1,724 games on artificial turf at Kauffman Stadium posting a 1004-720 (.582) record.

Bill Butler was hired in January, 1995 as the Royals Assistant Groundskeeper...Butler worked as the Assistant Groundskeeper for the Baseball City Royals and with the Royals during spring training camp from 1991-92, then joined the Spokane Indians as Stadium Director in 1992.

Kauffman Stadium is named in honor of the Kansas City Royals longtime owner Ewing M. Kauffman. The strength and integrity of Mr. Kauffman's ownership was the cornerstone of success for the Royals during the club's first 25 years.

Since purchasing the club as an expansion franchise in 1968, Mr. K's primary and continuous motivation was to provide winning Major League Baseball for Kansas Citians.

The Royals and all Kansas Citians lost a great leader when Mr. K died at his home on August 1, 1993.

Under Mr. K the Royals developed into one of baseball's most respected and successful franchises. In their first quarter century of existence, the Royals posted six American League Western Division Championships, two American League pennants and a World Series Championship. Despite playing in baseball's smallest market, the Royals drew over two million in home attendance 11 times. The two million figure computes to approximately 165 percent of the Kansas City area population. Mr. K sponsored formation of the Royal Lancers, a group of businessmen and women who have consistently kept Kansas City as a league leader in season ticket sales.

Mr. K was Chairman Emeritus of Marion Merrell Dow Inc., following the December, 1989 merger of Marion and Merrell Dow. He founded Marion Laboratories, a Kansas City based pharmaceutical manufacturing firm, in 1950. He guided Marion from a net profit of $1,000 in its first year to a diversified health care company with sales of nearly one billion dollars.

Kauffman's life began on a farm near Garden City, Mo., 60 miles southeast of Kansas City. The family moved to Kansas City when he was a youngster. He attended high school and junior college locally, then spent four years in the Navy.

Mr. K gave much personal attention to the Kansas City community. A multi-million dollar Kauffman Foundation to benefit Kansas Citians is in its ninth year. The Kauffman Foundation operates with the mission to research and identify the unfulfilled needs of society and to develop, implement and/or fund breakthrough solutions that have lasting impact and offer people a choice and hope for the future. The Kauffman Foundation is organized into two divisions: Youth Development and the Center for Entrepreneurial Leadership.

Youth Development works to identify and support effective approaches that give youth and their families the best opportunities for positive development. By sponsoring education-based, prevention-based and family and community-based initiatives, the Foundation believes it will leverage its impact to help more youth become productive members of society.

Several youth development programs have been operating in Kansas City for a number of years. They include Project STAR, an alcohol and other drug prevention and community awareness program; Project Choice, an educational support and scholarship program for low-income youth; Project Essential, a program that helps students develop their own self-esteem; and Project Early, a program to promote early childhood development through families and community systems.

The Center for Entrepreneurial Leadership, Inc. (CEL) sponsors training for adult entrepreneurs and entrepreneurial education opportunities for children and youth from Kindergarten through community college. CEL's goals include researching, identifying and teaching the skills and values that enable entrepreneurs to be successful, introducing young people to the opportunities that come with entrepreneurship and encouraging others to support entrepreneurship.

CEL is actively engaged in learning the skills, experience and education that truly make entrepreneurs successful. As that information is gathered and studied, it will be used to develop new curriculum, training programs and educational approaches for entrepreneurs. CEL also works with businesses, universities, schools and others to encourage a strong community infrastructure that supports entrepreneurs and their growing businesses.

Mr. Kauffman's leadership brought him numerous honors. The Kansas City Press Club voted him Man-of-the-Year in 1973. He was the "Mr. Baseball" honoree at the 1976 and 1991 Kansas City Baseball Awards Dinners, and later was inducted into the Missouri Sports Hall-of-Fame. Mr. K has received the prestigious Horatio Alger Award, the Golden Plate Award from the American Academy of Achievement, the Kansas City Chamber of Commerce "Kansas Citian of the Year" award, and the Distinguished Service Award from the American Legion. In 1986 the Southern Christian Leadership Conference selected Mr. K to receive its annual award based on Marion Laboratories strong support of civil rights causes. In 1989 President George Bush appointed Mr. Kauffman to serve on the President's Drug Advisory Council. In 1991 he was named the Distinguished Kansan of the Year by the Native Sons and Daughters of Kansas. Mr. K was inducted into the Royals Hall of Fame on May 23, 1993 and the name of the stadium was changed from Royals Stadium to Kauffman Stadium on July 2, 1993.
